- GSA Is a special Select level D contract.
- Only large account resellers who are certified to sell Select may become GSA Select contract holders.
- Solution Providers, small resellers, 8A's, System Integrators, etc. should partner with a LAR to act as an agent off the LAR's GSA schedule
- All License, License and Software Assurance, and Software Assurance only sales are software license only. Media and documentation sold separately.
- Reseller can bill federal customer directly, even if customer is purchasing from an agent.
- GSA Software Assurance begins date of purchase and ends three years from that date.
- The GSA federal customer will get 75,000 unit pricing.
- No minimum quantity.
